TRACK ACCESS MATTING SYSTEM (TAMS)

The TAMS – Track Access Matting System provides easy access and egress, to and from rail digs. Quick to install and easy to relocate, the TAMS system enables longer working time in track possessions.

The four-part interlocking system is quick and easy for a team of four to install following simple site preparation. Whilst also protecting both the rail

head and RRV's from damage. Suitable with wheeled and tracked RRV's.

KEY BENEFITS

**INNOVATIVE
SOLUTION**

**PROTECTS
THE TRACK**

**NETWORK RAIL
APPROVED**

**QUICK &
EASY INSTALLATION**
